

Conference Hotels, Bus Route, Businesses and Downtown Reno along Virginia St.

Virginia Street is “The Strip,” Reno’s main four-lane street which is also US Business Route 395. The three red circles downtown are three budget downtown hotels.

Citifare bus Route 1 is shown in purple. If you don't have a vehicle, the bus is the easiest way to get to and from downtown. Fares are \$1.25 each way. Buses run every 12, 15, or 30 minutes on Monday through Saturday and every 15 or 30 minutes on Sundays.

Note that (1) the map is not to scale, (2) Atlantis and Peppermill are much closer to Meadowood Mall than to downtown, and (3) distance from Atlantis to downtown is about 3 miles. Atlantis and Peppermill are about 3900' apart.

There are bus stops in front of both Atlantis and Peppermill. Downtown, use the CitiCenter bus plaza which is central to everything.

FEBRUARY 9-15, 2003 • RENO, NEVADA

Downtown Reno

The Riverwalk along the Truckee River is shown in purple. This multiple-use hard surface path, which follows the river for several miles, has its strong and weak points. There's a bicycle rental shop in the Truckee River Lodge and next to the Sands Regency.

The second floor indoor "mall" around Circus Circus, the Silver Legacy, and the Eldorado is one of downtown Reno's largest indoor attractions. It's as close as Reno comes to the extravagance and excess of Las Vegas.
